

Submitter: Laura Jones

On Behalf Of: Holly Theatre

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

Money to persevere ones history is never wasted. The Holly Theatre has the future potential to assist in the revitalization of downtown Medford. I moved here 5 years ago, and thought: "what a shame downtown Medford is so dead". Downtown Medford needs a boost. The Holly theathre could be the catalyst to making Medford come alive again.
