

Submitter: Martha Pierce

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1577

“I OPPOSE SB1577. Oregon’s data exposures of 2023 and prior have not been addressed properly. I see this opening a door to more non-residents getting registered to vote.”

Only legal citizens of the United States and Oregon should have the right to vote.
