

Submitter: Katharine Elizabeth Hunt

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB4083

Please protect Earth by passing this bill which will help us as we work towards reversing climate change. Also please pass NB 4083 which will protect the PERS retirement fund. So phase out the use of coal, MAKE no new investments in any coal industry and be open and share information about the phase out with us. I am a PERS retiree as well as a member of Church Women United of Lane County and Eugene Raging Grannies.
