On Behalf Of: Mr Oregon OPPOSES HB 4098

Committee: House Committee On Economic Development and Small Business

Measure: HB4098

I OPPOSE [HB 4098].

I OPPOSE [HB 4098]. Taxpayers should not be required to subsidize childcare costs, period.

The decision made to bring children into this world and to properly raise them to become good citizens should rest with the parents.

Childcare costs are becoming a Taxpayer subsidized "Entitlement" in our society.

The CHIPS industries can offer childcare as an employee benefit.

David S. Wall  
Mr. Oregon Concur.

Businesses can offer childcare as an employee benefit-not funded by tax credits or business deductions but funded out of their profit structures.
