On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB1503

I am opposed to this measure .We need to start looking at the real problem here which is a mental health issue we need to figure out why there is a mental health problem and address this problem head on.Stop targeting the law abiding citizen through gun control.Guns are a tool they can be used for good or for bad. We also need to prosecute those convicted of these crimes to the fullest .
