

Submitter: Tim Baker

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB1503

I oppose. There are currently enough gun laws on the books that if enforced would prevent any gun violence. This task force needs equal representation from gun owners and firearm sportsmen. Funding mental health would go a long ways to prevent suicide.

You seem to be hung up on guns causing a majority of Oregon deaths. You might want to look at the number of deaths attributed to illegal drug use and concentrate your efforts there if you want quick results.
