On Behalf Of: Mr Oregon is NEUTRAL on SB 1549
Committee: Senate Committee On Finance and Revenue
Measure: SB1549

I AM NEUTRAL ON [SB 1549].

Normally, when it comes to the treatment of Military Service personnel-I wholly support the issue at bar.

But, I was never allowed (absolutely denied) Military service because I am a disabled person. (I still have my Draft card though.)

As I am now considered a "Senior" citizen receiving Social Security and Medicare, My Social Security is taxed as income.

I also must pay property tax and I think Senior Citizens should be exempt from property taxes as well as my pittance of Social Security income.

I believe all Military personnel should receive some form of significant and I mean significant, tax exempt status for their service- for keeping all of us free and safe.

Perhaps all the Legislators in Oregon could be taxed more to make up the difference. Governor Kotek should pay double (unless she resigns from Office).

Mr. Oregon Concur, " I really like the 'Governor Kotek resigns from Office,' part."
