

Submitter: LOREN DEROY

On Behalf Of: I am a riverfront homeowner impacted by bill

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I strongly OPPOSE SB 1590 and believe the existing law fairly balances all interests. I believe that if the current provisions related to the towed watersports program were to be repealed it will result in significant bank erosion and damage to existing docks on the stretch of the Willamette River addressed by this bill, negatively impacting my property.
