

Submitter: Margie Hanrahan
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB1503

I'm an 80 yr old woman watching guns take over our lives and safety. More than 50 % of Oregonians voted to pass the gun bill hung up in court more than a year after passing. Why do Americans need more than 400 million firearms? I believe we need more safety measures to protect us all, especially my grandkids.
