

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS HB 4127
Committee: House Committee On Business and Labor
Measure: HB4127

I SUPPORT [HB 4127]!

One would think Warehouse Workers would have been protected from abuses such as "package quotas" derived from compelled quotas years ago.

With the onslaught of "Online Shopping" Distribution Centers and Delivery Drivers have become very dangerous occupations to one's health and mental well-being.

Warehouse Workers and Delivery Drivers need more up-to-date workplace protections!

The next time a Delivery Driver drops off a package you ordered on line, talk to them and listen to what they have to say about " workplace quotas."
