Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I strongly oppose SB 1590. As a paddlesports practitioner and environmental advocate, I can speak firsthand to the damage to the river banks caused by wakeboats and high speed craft as well as the noise and disrupted water ruining peaceful paddling locations. The river deserves protection, careful stewardship and sharing of resources. Please do not allow SB 1590 to reverse the progress made.
