

Submitter: Rex Daines

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure: SB1595

I am a bankruptcy attorney. This bill is extremely important to many of my clients especially my elderly clients. There are tens of thousands of elderly people in Oregon who are at risk of losing their homes because they can't afford to pay some old medical bills and credit debt. Please pass this bill as soon as possible.

thank you.
