

Submitter: Joel Pawloski
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB1583

I oppose SB 1583.

This bill is a blatant attempt to subvert the will of the people in Oregon. Removing power from the dully ELECTED School Board members, in favor of an unaccountable bureaucracy in service to a radical agenda. It tears at the fabric of our democratic institutions and engenders mistrust in the legislative majority.

Vote No.

Thank you,
