Measure: SB1520

We lost our home in the Camp Fire of 2018 and also a small rental we owned. We did not receive enough insurance money to rebuild and we eventually moved to Oregon. But we received supplemental monies from the Fire Victim Trust (PG&E bankruptcy) to help us rebuild our home and our lives. We are taxed on this as if it was normal income, even increasing our Medicare costs vastly. This should not be taxable and I urge your support. Thank you.
