

Submitter: Britt Conroy

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB4113

Chair Nosse, Vice-Chairs and Members of the Committee,

Ecumenical Ministries of Oregon has, since the 1980s, operated an HIV Services program that offers community support and medically-appropriate meals to those with HIV and AIDS. We urge support for HB 4113, ensuring that co-pay assistance counts toward consumers' deductibles.

Thank you.
