Measure: SB1537

Dear Members of the Senate Committee on Housing and Development,

Please accept this letter as testimony in support of the Governor's Housing Bill - SB1537. This bill offers improved and streamlined entitlement processes, a reduction in building permit timelines, and provides for much needed land supply in cities that are in need of an expedited UGB expansion that ensures that 30% of the homes built will be affordable to Oregon's workforce. We ask for your YES vote on SB1537.

Thank you,

Morgan Greenwood
