Measure: HB4124

I make a living as a French horn player in the Portland Opera. Between the pandemic and state of affairs in downtown Portland making it harder for audiences to feel safe about coming to see us perform, it has been a very hard few years. We need a boost and some support from our government. We need you guys to show that you care about these important arts organizations. Our livelihoods are at stake here. If we go under it would be a huge loss to our community and me personally. I am having to look for work outside of the arts to make ends meet and that is sad since my talents are in music. Please pass this bill.. Thank you for your time.

Sincerely;
Jen Harrison
