

Submitter: Kasey Huber

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

My name is Kasey Huber, and I am very much in support of SB 1590 to restore public access for towed sports In the Newberg Pool. As a mom who enjoys recreating on the river and taking my kids out to do paddle sports and do towed sports, it has been heartbreaking to see these bans on families being able to do towed sports on the river.

We have also seen what it's done to other parts of the river, as it's pushing more and more boaters into a smaller area on the lower river, making congestion worse.

I ask you to please support SB 1590 and stand up for public access on our waterways.
