

Submitter: Linda Scott

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Dear Legislators,

We kayakers are not safe on the river if this measure is repealed, in addition to the damage towed watersports do to shorelines. Please limit the areas for this type of noisy recreation practiced by the few, to allow the many who seek to enjoy the peace of nature and human-powered, healthy, safe recreation.

Thank you for listening,

Linda Scott
