

Submitter: Meg Thompson

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Please do not repeal the towed water sports measure.

Our family enjoys the Willamette River for water skiing, paddleboarding and swimming. We want the river to be safe for all to enjoy.

Surf boats are dangerous! Many human powered boats are capsized from huge surf boat wakes. Our dock is often overwhelmed by large surf wakes. The surf boats also endanger small boats pulling water skiers and children in inflatables.

Please consider stronger enforcement efforts to stop surf boaters who flagrantly flaunt the laws.
