

Submitter: Aaron Fellis

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

1590 Support

I'm firmly in favor of 1590 allowing people and families to return to the amazing water sports they'd long enjoyed on the river. Overturning the nonsensical ban on a specific river user community and both fairly and properly sharing the river with all and saving loads of local business that support these activities
