

Submitter: Carver Akiteru Oblander

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure: SB1596

Dear Chair and members of the Committee,

Please consider supporting this bill. Having a right to repair consumer electronic equipment is important to all Oregonians. Being able to repair our own electronics can help us save money, reduce e-waste, learn new skills, and feel empowered.

Thank you for your work for Oregonians.
