

Submitter: Kaylie Rivers
On Behalf Of: my little girl
Committee: Senate Committee On Education
Measure: SB1583

On behalf of my little girl,. Josie, I want the ability to choose what books for us to read together. I want her to be able to choose what ever she wants to read. Reading is a way to learn about life, history and develop into an intelligent young lady. Do not rob her of that chance! Vote YES on Senate Bill 1583.
