

Submitter: Monty Foust

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

Wholly mismanaged funds should not be an excuse to raise taxes. Oregon's schools receive more money than most states and they can even teach to a minimum standard. ODOT and local DOT are unable to budget wisely so more taxes in the form of tolls. STOP sticking your hand out for more, and become fiscally responsible it is your duty as elected representatives to protect Oregon and its citizens. You have not accomplished that for a long time.
