You're completely brain dead if you even think this a good idea! I have lived in Oregon since 1953, I retired in 1999 and because of the unbelievable high taxes I couldn't afford to live in the tri counties in the Portland area. Therefore I moved to Klamath county and at the time was more affordable now with the out of control politicians in Oregon I'm ashamed to say I live in Oregon. Oregon is so out of control with their bone head politics I'm willing be moving out of this state along with many many more citizens no one can afford living in Oregon take a look every one's leaving
