On Behalf Of: Myself
Committee: House Committee On Rules
Measure: HJR201

I am a senior (83) single woman living alone in my own home on a very small piece of land in a rural town, no sidewalks, Huge trucks go by my house many times a day on a small 2 lane (potholed) neighborhood rd. With overhead electrical lines (not buried). My taxes are over 3k a year! And you people sit up there in your fancy office deciding that people like me can afford to pay more in taxes to people like you who cannot control your spending habits...with my money! Have you seen the price of eggs lately? Obviously your intent is to eradicate people like me by pushing us out of our homes..YES, I I AM OPPOSED TO THIS LEGISLATION!
