Committee: House Committee On Rules

Measure: HJR201

I am a senior on a fixed income who lives in Bend. Oregon is already one of the most expensive states to live in this country - why make it worse? This bill, HJR201 would remove any limits on to what the legislature can do on property taxation with the citizens having no say whatsoever and this is just not right. This is unfair, unrealistic, and seemingly unconstitutional. I do NOT want to pay for the reckless spending that has occurred in this state nor can I afford to. Please do NOT vote in favor of this bill!
