

Submitter: Samuel Rhoton

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

Without this bill passing crucial arts organizations around Oregon will lose funding and either cease to exist or decrease in size/quality. It is my first year playing with the Portland Opera Orchestra and if this bill does not pass, I will lose my first job after graduate school. Please pass this bill and keep the arts alive in Oregon.
