

Submitter: Barbara Roberts

On Behalf Of:

Committee: House Committee On Higher Education

Measure: HB4125

As an instructor at PCC I have witnessed the cost-of-living rising while the compensation for teachers has not kept up. At the same time the compensation for administration has continued to increase. Where does this money come from? Students. Public education is for everyone. Pass House Bill 4125 and reign in exploitation of those in need.
