

Submitter: Clive DeWald

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

C'mon people.....we didn't elect you to find new ways to increase your spending!.....try looking at ways to balance the budget, beginning with strong scrutinization of where and how you are spending now! Folk are already leaving the state, and those of us who can't leave are already paying too much in taxes. Stop your out-of-control spending!
