

Submitter: Charles Gervais  
On Behalf Of: Self  
Committee: House Committee On Rules  
Measure: HJR201

As a former resident of Salem for over 25 years, I have to tell you I am ecstatic that back in 2019 I was able to see the reckless nature of the state government, And was able to get out before the deluge of incompetence o see in Oregon today. What happened to governing FOR THE PEOPLE? Seems to be lost forever in Oregon!
