

Submitter: Lucy Bochsler

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

No new taxes! We are already facing many challenges paying our bills in this economy let alone adding new taxes. There has got to be a different solution than taxing the citizens that are working hard to pay the already increasing tax rates in Oregon. Repealing measure 110 would certainly help in the aspect of public safety. Instead of creating new taxes create solutions for the already present and growing problems our state is facing.
