

Submitter: Lori Gilbert

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

Each county has unique needs. An overall state authority could complicate the distribution of justice. Local funding is in need of support and should be left to the respective areas. As for new taxes we are already grossly over taxed. One of the highest in the nation. At a time when we are attempting rebuild our cities and communities. Additional taxes well could break us completely.

Please stop taxing us further and work smarter with the money you already have.
