Committee: House Committee On Rules
Measure: HJR201

After familiarizing myself with this added tax on the citizens of Oregon I find it is not in the best interest of those you represent. The State of Oregon already is one of the highest taxing per citizen of all states. This added tax will

Increased homelessness of our most vulnerable populations to include hardworking middle-class families, seniors and people experiencing disabilities as they will no longer be able to afford their homes.

Make Oregon's housing crisis worse as property owners will need to increase rents to keep up with government taxation.

Make housing unaffordable for first-time home buyers.

Potentially remove Constitutional limits and protections on privately owned property
