

Submitter: Linda Cron
On Behalf Of: Self
Committee: House Committee On Rules
Measure: HJR201

As a woman over age 70, who has lived in Oregon all but 6 months of my life, I am opposed to additional property taxes. The State of Oregon has raised new and increased existing, steadily over the last 15 years.

Additionally, opposed to increasing general fund dollars through new or existing tax programs. Continued spending has not resolved existing issues.
