Measure: HJR201

As a senior citizen living on limited income, I already find my property taxes burdensome, and taking the authority out of local control is a very bad idea! It then makes no one but the Democrat legislature accountable. Overall inflation is already up nearly 20% since Biden came into office, and now you want to make my property taxes pay for your reckless spending in Salem? I say no! Keep your hands out of my pockets. Per [taxfoundation.org/data/all/state/tax-burden-by-state-2022/](https://taxfoundation.org/data/all/state/tax-burden-by-state-2022/) Oregon was ranked 31 out of 50 states as one of the higher taxed states. I do not want that number to get even worse with this terrible measure! Thank you.
