Committee: House Committee On Rules  
Measure: HJR201

I feel that this is an issue that needs to be brought before the voters and not rush through!

I also feel that Oregon has allowed lawlessness since the BLM riot of 2019-2020.

I also feel if you untied the polices hand and hold people accountable for there actions.a lot of the problems will go away. Consequences is a deterrent!

The Portland area has been miss managed for years and I don't believe the whole state should have to pay for their miss management!

Vote No on HJR 201!!!
