

Submitter: John Miller  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR201

You people are absolutely unhinged! CAT and now this. Which successful high tax state or major city are you attempting to model Oregon after? You have already made it really hard to run a business in this state. Is your goal to make it impossible? Just how much do you think people will pay for a Big Mac?
