Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

A few years ago the citizens of Oregon spoke about wave-producing boats on our rivers. They said no- we don't want our banks eroded, we don't want salmon habitat wrecked, we don't want to be swamped as a result of inconsiderate people in wake boats. Please vote against SB 1590 which repeals restrictions on wake producing boats. Thanks for your consideration.
