I adamantly oppose this amendment at every level. We (Oregonians) pay some of the highest taxes in the nation as it stands. This bill will only cause more hardship on already difficult to pay property taxes. The State is the problem, not the tax payers. If the goal is to run more people out of the State this certainly will do it. If your goal is to increase public safety (fund) I suggest taking a DEEP look into public funded wasteful spending. I am sure you can find tens/hundreds of millions in waste in less than a week, if your honest.
