House Committee on Rules

Representative Julie Fahey
Representative Jason Kropf
Representative Rob Nosse
Representative Kim Wallan
Representative Jeff Helfrich
Representative Andrea Valderrama

I oppose HJR 201 that allows for a statewide property tax! HJR 201 attempts to override Measure 50 and increase our property taxes.

Adding a statewide property tax in addition to all the increases we are experiencing in every phase of our lives does not create trust with citizens.

I do not support any new financial obligations on the citizens on Oregon.

VOTE NO ON HJR 201 – NO STATEWIDE PROPERTY TAX!
