On Behalf Of: concerned citizens
Committee: House Committee On Rules
Measure: HJR201

I oppose this bill 100 % we are all ready over taxed and we pay taxes for our county public safety offices and we are fine, we should not have to pay for the miss management of the city's like Portland who choose to defund police and give the money away, they should have to pay for there own public servants. Over taxing us will throw 1000's of citizens into the streets with no place to live as you people confiscate property's that do not belong to you. Again 3/4 of Oregon should not have to pay for Portland Miss management. I suggest getting new Leader ship in Northern Oregon.

The only way to save Oregon is to change all of the leadership look what you have done to my once great state.
