On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB1576

Dear Chair Prozanski, Vice-Chair Thatcher and members of the committee:
What attracted me to the State of Oregon many years ago was the outdoor recreation. I enjoy outdoor time with family and friends, which nourishes my relationship with others, especially nature. This is also one of the most important reasons that visitors come to Oregon, which in turn supports the local economies.

Please pass SB 1576-3 with language that clearly restores recreational immunity for public and private landowners and clearly applies to both improved and unimproved trails.

Richard Hughes, Eugene, Oregon
