

Submitter: Rebecca Ruppert

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

Oregonians are paying more for everything. Imposing higher property taxes is not the answer. Throwing more money at problems is not the answer.

Audit and find out where our money is going. Hardworking Oregonians and Seniors deserve responsible government. They do not deserve to be thrown out of their homes due to outrageously high property taxes. ENOUGH!
