On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

I am supporting SB 1583 that will prevent discrimination when selecting textbooks, instructional materials, program materials or library books in public schools and hope that you will vote to support the bill when it comes up for a vote (in committee/on the floor). There has been an explosion of book ban across this country, targeting everything from the Diary of Anne Frank to the Merriam Webster Dictionary. Oregon needs to stand up for books, readers, students, teachers, librarians, and parents, and make a statement against bigotry and ignorance.
