

Submitter: Diosea Victorio

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB1565

My name is Diosea and I'm writing as a grandma of my awesome almost 13 year old grandson, named Aa, who has Austin Spectrum Disorder and has Intense Behavior. I live in Milwaukie, Oregon.

My grandson doesn't really sleep, harm himself and others inappropriately touch others and elopes. We tried a lot of people to work with him as his caregiver but then end up being scared.

Oregon's Developmentally Disabled children deserve access to the best, most qualified caregivers, their parents. No one knows the needs of our states most vulnerable children better than their parents. Please pass SB 1565.

Sincerely,  
Diosea Victorio
