

Submitter: Mike Hasson

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I have supported schools, roads, Police and Firefighters for 45 years by approving requested increases to our tax base. If the legislature approves this amendment, HJR201, I will NEVER agree to another tax request by any State or local municipality. In fact, as a retiree I would seriously consider leaving the State and until I leave, will campaign and support financially, those who pass this amendment.
