Measure: HJR201

HJR201 will only hurt Oregonians more. NO NO NO to more taxes. Our taxes are higher than most states. More and more people are leaving Oregon due to the over taxation!! Who will pay for all of these programs if the only people left are living on the government? Oregon used to be such a great place to live. Now most can NOT afford to live in Oregon. STOP adding new taxes. Please stop raising taxes. NO to HJR201
