I already live in Multnomah county . My taxes are so high to began with . Why would you do this to our property taxes we can barely afford it . Our economy has not changed. We can barely can keep our heads above water . Hardly can afford food and now you basically want to take our homes because we won't be able to afford taxes in the long run !! I moved here 30 years ago when Oregon was beautiful. Now it's very very dirty. I'm embarrassed to tell anyone I'm from Oregon. Sanctuary state is a joke , it house's the corrupt. The people of Oregon who work hard to provide for their families as I am trying to do as well . Doing this will have many homeless because they won't be able to afford it . Unless this is your plan from the beginning . Please plan for the people and help make this state beautiful again .

Kind regards,
Tina K
