VOTE NO - NO STATEWIDE PROPERTY TAX - HJR201

- We can't afford it! Oregonians already pay higher taxes than most states.
- Removes current local control over property taxes from Counties/Cities by allowing new statewide property tax scheme without limits.
- This would allow Portland politicians to raise property taxes on rural Oregonians for their reckless spending.
- Removes current Constitutional limits on property tax rates (Measure 5) and assessment rates (Measure 50) with sneaky exceptions.
- Risk throwing seniors, the disabled and other limited income Oregonians out of their homes as property taxes become limitless.

Identify how elected representatives can hold those in positions of authority to be fiscally responsible and accountable for the use of the current tax funds rather than "throwing it away", and raising taxes to get more funds.

Thank you!
